CELL PHONE POLICY (ADDENDUM to Student Handbook, page 20)

While we realize most students have cell phones, no cell phone may be used on the St. Gerard campus during the school day. Cell phones must be kept in back packs, purses, or school lockers. If a student has his/her cell phone confiscated during the school day by a faculty or staff member, the following consequences will be imposed:

1. At the first infraction, the cell phone will be confiscated by the faculty or staff member and turned into the school office. The office will inform the student's parents. The phone will be returned at the end of the school day.
2. The second infraction (more serious), the cell phone will be confiscated by the faculty or staff member, and parents will be required to pay the school at \$20.00 fine in order for the cell to be returned.

_____ I agree to abide by the cell phone policy of St. Gerard Catholic High School, San Antonio, Texas.
