St. Gerard Catholic High School opened in 1927 to offer a quality Catholic education for high school students. Our mission continues today—uninterrupted—through the dedicated instruction of our religious and lay faculty. We extend an open invitation to you and your child to visit our school to inquire and learn about all things we have to offer.

Our student body is composed of students of all races and creeds from every socio-economic group in the San Antonio area. Students come to St. Gerard Catholic High School not to escape something, but to embrace something—namely, a strong, educational program conducted in a nurturing, religious atmosphere. Since St. Gerard Catholic High School is dedicated to providing moral and spiritual training, along with academics, all students are enrolled in religious lecture courses and attend our weekly all-school Mass.

St. Gerard Catholic High School is a four year (grades 9 – 12) college preparatory school. We maintain a low teacher-student ratio in our classrooms. All students enrolled at St. Gerard are required to perform community service as part of our ongoing formation to build our community.

Please do not hesitate to contact us by phone or E-mail. It is our mission, since 1927, to educate students to become greater citizens in our community, and to fully prepare them to enter college. Our Alumni, for some 80+ years, continue the legacy of St. Gerard Catholic High School. Go Royals!
