

# St. Gerard Catholic High/Middle School Summer Academic & Athletics Program & Recreational Activities

Schedule Starting June 8 – July 3, 2020  
(Monday – Thursday)

## **Session I:**

**7:00 AM (Dropoff School Cafeteria) - 9:00 AM**

Athletic Workout/Activities (Social Distancing guidelines will be followed)

- Conditioning Activities at the Stadium
- Jog/Walk
- Abdominal Work
- Lower or Upper Body Workout, along with jumps and some speed work.

## **Session II:**

**9:30 am - 12:30 pm Academic Program** (June 8<sup>th</sup> – July 3<sup>rd</sup>) 4 Week program for incoming registered Middle and High School students (Teacher: To be Announced)

**Cost: \$100 for the 4-week program (\$100 fee for students who participate in academic program. No fee for students participating in Physical program)**

### **Middle School Academic program general description:**

**Middle School Academic Math Enrichment Program:** Available to registered incoming 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade students

Students will receive a series of mathematics diagnostic assignments to determine their proficiency in a variety of mathematic concepts and skills. Based on diagnostic results and assessment, students will receive mathematics instruction for the purpose of remediation, reinforcement, and enrichment.

Students will also be encouraged to use some of their class time to complete summer reading requirements specific to their grade level. Students can explore and engage in activities that provide understanding and comprehension for their assigned reading.

### **High School TSI Academic Initiative Program:**

Available to registered incoming 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grade students (June 8<sup>th</sup> – July 3<sup>rd</sup>) 4 Week program (Teacher: To be Announced)

**Cost: \$100 for the 4-week program (\$100 fee for students who participate in academic program. No fee for students participating in Physical program)**

Students will prepare for the Texas Success Initiative Assessment, better known as the TSI test, a program which determines the appropriate level of college course work for an incoming college freshman or a high school student wishing to enroll in dual credit courses. The TSI test consists of three separate exams: Mathematics, Reading, and Writing.

Many high school students are required to pass portions of the test to participate in dual credit classes that St Gerard's offers. Incoming college students in Texas are required to take the TSI. Other than the essay portion, the exams themselves are multiple choice and computer adaptive, as questions increase or decrease in difficulty based upon previous answers.

Successful scoring on the TSI proves your readiness for college-level course work and will save you substantial time and money by allowing you to avoid remedial classes in college and gives you the opportunity to take college credit courses (dual credit) in High School.

Our summer program will engage students in a variety of practice and pre assessment opportunities in each of the TSI separate exams. Practice opportunities will lead to exploration and student driven instruction to better prepare a student for taking the TSI test.

**Special IVY STEM Program (Juniors & Seniors One Week only) (June 15<sup>th</sup> to June 19<sup>th</sup>)** Click ([HERE](#)), for more information

**Special time: 9:00 am -1:15 pm for one week only; Mandatory attendance for each day**

An opportunity to focus on the IVY League College Application process while participating in STEM activities. The link above has a daily schedule of the program. As a requirement for receiving a certification for this special opportunity, 100% attendance is required for the one-week training. All fees for this one-week training will be paid by the school. There may be limited capacity. We are hoping to have a maximum of two groups of 12-13 each.

**Lunch for all students:**

**12:30 pm – 1:00 pm Lunch**

**(Students should bring a sack lunch and snacks will be available for sale.)**

### **VERY IMPORTANT**

Students participating in the morning workout session from 7:00 am to 9:00 am who choose to not participate in an academic program(s), must be picked from school immediately after their morning workout and may return at 1:00 PM for afternoon athletic camps.

Due to the lack of school personnel during the summer, supervision will be limited to only the programs or activities being offered. **For safety reasons students will not be allowed to hang-out in the gym, library, halls, cafeteria, locker rooms, and/or roam the school, without supervision. Students found in these areas without supervision will be asked to leave.** These areas will have no supervision. **Supervision will only be provided in the programs and activities being offered.**

**\*\*\*We expect all students to be in a program or activity when present at school. \*\*\***

## **Afternoon Athletic Program**
